I wrote the name of the witnesses on the license, but forgot to have them sign as witnesses. I could not think of any such names to write in; they were actually the witnesses.

I called them on the Phone Saturday, June the 2nd and talked to them. I mailed the copy of the license to them on the 3rd. They must have moved right away, because I received the license back on the morning of the 5th.

This is only the 2nd time in 22 years that I have failed to have the signature.

So Sorry,

Respectfully,
